Grant Funding Applications – The County will be reapplying for grants under the Strategic Transportation Infrastructure Program (STIP) for five bridge files that are reaching the end of life and are scheduled to be repaired and/or replaced. We will also be participating in a STIP application under the Local Municipal Initiatives funding stream to regrade 2 miles on Twp Rd 582 from Highway 881 to 57th Street and 900 m of 57th Street south from the intersection of Rge Rd 95 and Twp Rd 582. The regrading project on Twp Rd 582 and 57th Street will be a joint application with the Town of St. Paul being the managing partner.

Bylaws – Council approved Inter Municipal Collaboration Framework (ICF) Bylaws with the MD of Bonnyville, Lac La Biche County, Smoky Lake County and the County of Two Hills, which is a requirement of the Municipal Government Act. The bylaws outline the services provided by each municipality, services being shared on an intermunicipal basis and how they will be delivered and funded.

Harvest Conditions – Council discussed the current harvest conditions in the County of St. Paul with the unharvested area estimated at approximately 40%. Presently there is five municipalities in Alberta that have declared a state of Agricultural Disaster due to excessive moisture conditions and delayed harvest.
