

COUNTY OF ST. PAUL NO. 19

Our Mission - To create desirable rural experiences

PW-10 Road Gravelling Policy

Department: Public Works

POLICY OBJECTIVE:

The County of St. Paul desires to provide a safe road surface and to protect the integrity of the County's roadway system.

POLICY STATEMENTS:

1.0 Gravelling

- 1.1 The Director of Public Works or their designee, will inspect gravel roads within the County of St. Paul, determine the need for gravel and arrange for gravel to be placed on problem areas.
- 1.2 The divisional grader operator will grade and inspect roads and may request gravel be placed on a road if routine road maintenance is hampered by the lack of workable material.
- 1.3 Road construction foremen may request gravel be placed on a newly constructed road.

Council Approval: July 8, 2011
